

## BOWL FOR KIDS' SAKE UPDATES

As you may already know, the orders that have been put into effect over the last few days to help slow the spread of COVID-19 have caused us to rethink the Bowl for Kids' Sake events planned for the spring.

Thank you for your patience as we work to decide what is best for our long-standing fundraising event. We want to make the best decision possible for our event participants, BBBSECW, and our community.

These decisions are difficult given that Big Brothers Big Sisters solely relies on community support efforts, like Bowl for Kids' Sake, to provide our important programming to youth in the community. Like all of you, we are working hard to keep consistency during this time of uncertainty.

**Bowl for Kids' Sake 2020 will be rescheduled with more details to come!** Now, more than ever, it is important to register you and your team and start fundraising.

If you planned to participate in a corporate bowl, please know that we are working with your company to get the event rescheduled for a time that is best for you, your company and BBBS.

As a past event participant, you will be the first to know when we have any updates and have set the new dates for the bowling events. In the meantime, stay connected to BBBS through our various social media channels ([Facebook](#), [Instagram](#), [LinkedIn](#)), and our [website](#).

We hope you and your loved ones are safe and healthy. Thank you for supporting the work we do!
